Passionate drumming, genuine groove®.....

Hi, and thanks for dropping by !

On these pages I'd like to inform you about my activities, the bands and projects I'm playing in, great info about drumming (and music in general),

lots of photos and hot news to keep you informed about everything I'm up to.

In the past I played with artists such as:

Mariska Veres (Shocking Blue),

Thijs van Leer (Focus, Maryson),

Peter Langerak (Vitesse, BRSR),

Rudy Englebert (Vitesse, Herman Brood, Raiders),

Otto Coymans (Vitesse, Time Bandits, Raiders),

Guido Ludwig (Vitesse, Marc Reece),

Lobo (The Caribbean Disco Show),

Ruud Groenendijk (Anouk, Fan Halen),

Carlos Lake (Anouk, van Velzen),

Michael Riesenbeck (China Blue)

Please feel free to sign the guestbook, or just drop me a line there !

I am also still available for live gigs and/or studio work, as a stand-in or on a contract basis.

I have a lot of experience in both studio and live/touring environments. I am skilled and experienced in almost any style, from latin-jazz up to metal. Gear is the best there is (DW, Sonor, Tama, Amedia, BigDog, S-Hoop), gigs are always prepared deliberately, I am willing to travel and of course I'm always on and in time !
